Andrea,

We received the transfer package, will review it when I get back in town next Thursday. I'll be in SE Utah Monday-Wednesday next week on some inspections. (None involving EFR sites...)

Something for your calendar to-do list will be to submit a request for bond release for the Sage Mine. Once the replacement bond and reclamation contract are approved, we can release the Colorado Plateau Partners bond. Thanks,

Thanks Mike. FYI - George Glasier of Pinon Ridge Mining LLC, myself, and Ted McDougall inspected the Sage and Dunn mines on August 1st. We also transferred all our permit files for the Sage Mine to George at the closing, which occurred on April 18th. Frank
